Tax and Income Tax . 13

Income tax 13- 2

Analysis of the main elements of income tax included in the consolidated income statement:

The figure is a horizontal bar chart with a light gray background. The x-axis is labeled with numerical tick marks from 0 to 1000 in increments of 100. The y-axis represents the count of characters, with horizontal grid lines extending across the chart area. A vertical blue line is drawn at approximately x=500. The bars consist of two parts: a white base and a blue top. The blue portion is only present for the first 250 characters. The distribution of characters is as follows:

Character Type	Approximate Range (x)	Approximate Count
Opening Parenthesis (0-250	125
Closing Parenthesis)	0-250	125
Opening Parenthesis (250-500	125
Closing Parenthesis)	250-500	125
Opening Parenthesis (500-750	125
